The International Joint Conference on Artificial Intelligence, IJCAI, is the most prestigious international gathering of Artificial Intelligence researchers. Every year IJCAI is held in a different country jointly sponsored by the IJCAI organization and the national AI society of the host nation. Every fourth year, IJCAI is held in Europe together with the European Conference on Artificial Intelligence, ECAI, as IJCAI-ECAI. In 2018, from July 13-19, IJCAI-ECAI will be held in Stockholm, Sweden. This will be the 27th IJCAI, the 23rd ECAI, and the first ever joint IJCAI-ECAI conference.

IJCAI-ECAI-18 will gather top AI researchers and experts from all over the world, and due to its proximity, 2018 will feature many participants from Europe. **We invite you to participate in the sponsor and exhibitor program for IJCAI-ECAI-18.** This will provide an excellent opportunity to demonstrate your brand to some of the world’s brightest minds working in Artificial Intelligence, Robotics, and Machine Learning – areas at the forefront of the world’s most exciting technological changes – your brand will additionally be exposed to millions of viewers and readers through media reports on the conference. While participating in the conference you will also have access to Stockholm’s world-class dining, entertainment, and networking opportunities. Stockholm is Sweden’s capital, one of Europe’s most vibrant cities and tech-hubs.

Your support of IJCAI-ECAI-18 will allow us to expand participation in IJCAI-ECAI-18 by, e.g., provide support to students and junior researchers. This increased participation will in turn allow you to increase your brand awareness in the high-tech labour market.

Thank you for your interest in supporting IJCAI-ECAI-18 and we look forward to welcoming you to Stockholm!

Yours sincerely,

IJCAI-ECAI-18 Local Arrangements Committee

Venue
IJCAI-ECAI-18 will be held at the Stockholm Exhibition Centre (Stockholmsmässan), located at Mässvägen 1, 125 80 Älvsjö, Stockholm, Sweden.

IJCAI-ECAI-18 will use the ground floor and the 2nd floor of the Stockholm Exhibition Centre (Stockholmsmässan). The exhibits will be in Hall B on the ground level together with the coffee breaks and posters. The nearby location of the coffee breaks and posters will serve to maximize participation and interest in the exhibits.

Scope
Based on previous IJCAI-ECAI conferences, we expect an attendance of over 2,500 participants, drawn from the world’s top technical universities, research labs, and applied industry firms.

The IJCAI-ECAI technical standards are very high. Typically, only about 25% or less of submitted papers are selected for oral or poster presentation at IJCAI-ECAI. This means that our participants are drawn from the world’s best AI experts.
OVERVIEW OF COLLABORATIONS

Contact: Christian Guttmann (sponsorships@ijcai-18.org) or
Christian.guttmann@nordicAlinstitute.com

Objective of the Collaboration
A conference as large and varied as IJCAI-ECAI-18 is a very costly event, and it is only thanks to
the generous support of sponsors that we can make participation by students and academic
researchers affordable.

The easiest and most typical means by which sponsors may contribute to IJCAI-ECAI-18 is
through a flat amount of funding towards the organization of the conference in general. IJCAI-
ECAI-18 is pleased to offer several tiers of benefits to sponsors. In addition, the organizing
committee will do its best to accommodate alternative forms of support. The intention of the
IJCAI-ECAI-18 organising committee is to ensure that all sponsors receive the highest
recognition in return for their generous support to the Conference.

Types of Collaborations
There are two types of collaborations available to IJCAI-ECAI-18 partners.

- Main Conference Collaboration
  Sponsors of IJCAI-ECAI-18 enjoy various benefits, including registrations to the full

materials, on signs, and on the web sites. See sponsorship levels on the next page.

- Exhibition

donations in any amount.
